

CHÂTEAU BRAUDE FELLONNEAU

AOC Haut Médoc

« Modern expression of Bordeaux wine »

This wine, made from a selection of the best plots of vines from a small estate situated in between two classified growths of the appellation Haut Médoc, unveils us the most gourmand that this appellation can offer.

Produced in very small quantities, it is the outcome of an exceptional terroir meeting the dream of a winemaker.

The most delicate expression of cabernet sauvignon, silky and sexy.

This wine is the perfect match to grilled red meats.

A wine that gives us a technical and refined jewel.
