

CHÂTEAU DE GALLAND

AOC Moulis

" Fruit & freshness "

Last born of the Family of the Bernaleau's vineyards, Château Galland is a small one hectare estate which presents its first vintage in 2011.

Situated on a clay and gravelly hill at the foot of an ancient medieval mill in the village of Moulis.

This garden is composed of 50% merlot & 50% cabernet-sauvignon. This first vintage wine, from vines of an average age of 25 years old, is characterized by generosity and a fruity freshness that have nothing to envy to the prestigious wines of its neighbours of the appellation.
